Mr. W. Moile Triplett
McKinnon, Wyoming

Dear Mr. Triplett:

Enclosed is a letter sent in error to Mr. Ruel B. Triplett instead of to you regarding the position of water commissioner on the Burnt Fork - Birch Creek District.

On the back of this letter is a note from your brother, Mr. Ruel B. Triplett. I believe these two letters are self-explanatory.

Would you kindly send us the information which Mr. Norseth requires in his letter of March 31 as soon as possible.

Yours very truly,

Wayne D. Criddle
